RESPONSE TO NOTICE OF ALLOWANCE

In response to the Notice of Allowance mailed January 11, 2010, enclosed is a completed issue fee transmittal form PTOL-85b.

Applicant notes that in the Amendment in Reply to Action of May 15, 2009, which was filed on September 14, 2009, an amendment was made to the specification to replace the title of the application with the following new title: "Radiation Detector With Controlled Spectral Sensitivity Distribution". The Notice of Allowance that issued on January 11, 2010, still had the old title "Radiation Detector" listed. The Applicant respectfully requests that the title will be listed as "Radiation Detector With Controlled Spectral Sensitivity Distribution", as previously requested on September 14, 2009, so that when the patent eventually does issue, it has the proper title on it.
